

Youth Court: YouTube Educational Service Projects

Project Directions: Watch any of the videos below that include quiz questions and knowledge/facts. Please write out your answers to each question. At the end of the exam or presentation, complete written projects such as a two-to-four-page paper, a PowerPoint presentation, and/or a creative project board (such as a Poster) for credit. The written work should explain what you learned from watching the video. The quality of your work matters!
